HILL'S Patent Sliding Window Blinds.

These Blinds require no hinges, and all trimmings are supplied. They do not interfere with curtains or window ornaments, and are so constructed that light and air can be admitted from any part of the window. Being easily and rapidly operated they neither rattle nor get out of order. They economise space by doing away with pockets and the necessity of furring out, and can be removed and replaced instantly without even drawing a screw. They require no special frame, as they can be attached with equal facility to any window. Are specially adapted to Bay and Clustered windows. For workmanship or style these blinds are not excelled by any in the market. Also, improved English Venetian Blinds in any desired wood, handsomely finished. Wire Screens, &c.

Between 1st and 2d Sts.,

BROOKLYN, E. D.

INCREASED FACILITIES FOR THE MANUFACTURE OF

**Brewers' & Distillers' Tanks, Tubs, Cisterns, Water Casks and Tanks for
Cold Air Machines.**

I am now prepared to make and furnish the largest as well as the smallest
article in my line of Cooperage.

ESTIMATES GIVEN WITH PROMPTNESS.

All work warranted to be finished in workmanlike manner and equal to
any in the market.

Annually Exhibited at the American Institute.

'SILVERO' Gold and Silver POLISH is the FIRST PRIZE Polish of the AMERICAN INSTITUTE. Its wonderful properties exceed the most extravagant expectations, and wherever used its remarkable qualities make it the only satisfactory article for the SILVER-ROOM, HOUSEHOLD and BOUDOIR. 'SILVERO' possesses the same degree of fineness as the costliest GOLD ROUGE and contains NO ACID, NO GRIT and NO POISON OF ANY KIND nor any of the destructive properties so common to this class of goods, and is WARRANTED ABSOLUTELY PURE AND HARMLESS.

'SILVERO' Cleans and Polishes with ease and rapidity without scratching, wearing or injuring the most delicate article to which it is applied including all kinds of SOLID AND PLATED GOLD AND SILVERWARE AND JEWELRY OF EVERY DESCRIPTION. Apply 'Silvero' with a Soft Moist Cloth or Sponge, Rub Clean and Finish with a Soft Dry Towel, Canton Flannel or Chamois:— For Uneven, Engraved or Ornamented Surfaces use a soft Brush. MIRRORS, EYEGLASSES, PLATE AND WINDOW GLASS acquire the highest transparency and brilliancy by applying a little 'SILVERO' and water with a soft cloth or sponge and drying with clean linen.

Silver is sold at Ridley's, Hearn's, Jones', Koch's, Benedict Bros., Acker Merrill & Condit's, Newman & Capron's, Upham's, Unger's, Murray's and other leading Dry Goods Houses, Jewelers' Grocers' and House Furnishers.

\$7.50 up. King's Improved Parlor Folding Bed.
Made exclusively of Hard Woods and Heavy Hardware. Warranted in every particular. **CAUTION—** Each Bed is stamped with the Makers' Signature. Sold only at Headquarters 123 W. 15th St., near 6th Ave.

CHRIS. ABELE, Millwright and Machinist,

This cut will exhibit my recently improved Portable BURR STONE MILL—opened and closed in a minute, without crane or screw and without ever losing the adjustment of stones—by means of that combined arrangement secured by Letters Patent exclusively Chris. Abele's own.

This Mill was awarded Medal for Excellence at late Semi-Centennial, of the American Institute, N. Y. and for Superiority in 1882, 1883, 1884 and 1885.

**Constructor & Contractor for

*Special and original Machinery for
Crushing, Grinding and Pulverizing,
put up at Short Notice.*

*Works laid out and Reconstructed. Esti-
mates Given. Orders by Mail
promptly attended to.*

CHRIS. ABELE'S KNICKERBOCKER COFFEE ROASTER.

I claim that the coffee turned out by my Roaster has a fresh and lustrous appearance, free from any adhering smut or smoke. This you will see at once by putting it side with Coffee from other Roasters. Refers to Thurber, Whyland & Co., W. J. Stitt & Co., etc. Call for Price List.
